Darlene Staffeldt, State Librarian

Dear Friends:

I hope that you'll find this directory helpful for a variety of purposes. To improve the accuracy and the currency of the directory, we have only published full information from libraries that have updated their listing within the last three years. Thank you to those library staff members who took the time to do so. Libraries that have not updated their listing in the last three years have a partial listing consisting of the library name, mailing address, and phone number. This year we have also included the date when the information was last updated. If the library has never updated the date field reads N/A.

Updating your library's information is easy – just follow these easy steps:

- Go to: <http://montanalibraries.org/Directory/Main/mldHome.asp>
- Click the "Edit" button.
- Use the drop-down lists to narrow the search for your library, and then click the "Search" button.
- Click on the name of your library; this will get you to your library's login screen.
- Enter the password that you use to access your library's directory.
- Click on the "Login" button; this will get you to the Main Menu.
- Click on menu item: "Update your library information." This will bring you to the Library Update screen.

As in past years, MSL provides each library that updated their listing within the time allowed with one paper copy of the directory. If you would like more copies, we also offer this publication online. To access the online version, visit our website at <http://msl.mt.gov> and click on the Online Publications icon. You can choose to print the directory by selecting the "Montana Library Directory - PDF" link. If you wish to browse the directory online, choose the "Montana Library Directory Online Database" link. We encourage you and your staff members to use these online versions.

We welcome your questions and comments about this publication. Please contact Tristen Shinnick at (406) 444-3115 or e-mail her at [tshinnick@mt.gov](mailto:tshinnick@mt.gov).

Sincerely,

Darlene Staffeldt  
Montana State Librarian

# Networking Task Force

---

Twelve Montana librarians and library users comprise the Networking Task Force. Members represent all types of Montana libraries (academic, public, school and special), from all over Montana. The Task Force advises the State Library in matters relating to library networks, resource sharing, library automation, online library resources, and training.

Special Resources: In addition to our general K-12 school library collection, we house a small selection of Braille, Large Print, and audio books. MSDB also maintains professional and outreach materials related to working with sensory-impaired students. Further, MSDB manages the Captioned Media Program, a free-loan resource for deaf individuals of any age, as well as their parents and teachers. Also, MSDB orders outreach materials through American Printing House for the Blind, a federally-funded resource for qualifying blind and low-vision students.

Special Resources: Our library has a great selection of Montana and Yellowstone Park books, audio tapes and videos. We also have the Paul Brown Memorial Flyfishing Collection. We have just moved to a new larger location, and will house these memorial collections and special collections in our new Montana Room (still in progress).
